The luxurious cruise will boast Eddie's Travel 5 star Glatt Kosher gourmet cuisine service under the strict supervision of MGK (Maritime Glatt Kosher), as well as Eddie's Travel renowned first-class customer service. A kosher cruise offers the best of both worlds for body and mind: Guests can enjoy all the vessel's amenities, including spa treatments, pool decks, fully-equipped fitness areas, and extensive onboard shopping, casino action, and entertainment. Best of all, stimulating educational and cultural programs include talks by the distinguished rabbis on board, Jewish study sessions, and daily services. Candle lighting, Kiddush, traditional menus, and synagogue services led by noted cantors make Shabbat at sea an unforgettable experience. Being part of a group of Jews of all affiliations from all over the world provides an instant connection and the opportunity to make new friends.

Only Eddie's Travel guests will be permitted to attend Eddie's Travel events, meals and services.
