AMAZING ACTIVITIES & WINTER FUN

CROSS-COUNTRY SKIING: Start the slope in Canazei and ski the route through the entire valley.

SNOWSHOE WALKING: Discover the thrill of walking through a snow covered forest with snow shoes on your feet.

ICE SKATING: The ice skating rink is only a 3 minute walk from the hotel; enjoy the thrilling experience of skating on ice.

HORSE-DRAWN SLEIGHS: A horse-drawn carriage takes you on fairytale journeys through the woods and around the villages. Horse riding pony tours for kids.

SNOW TUBING: Snow tubing is real fun! Why not try something new! The Slide Park is just opposite the hotel and open at night.

Canazei is situated in the most beautiful Italian Dolomites Alp in Val di Fassa. Canazei is the paradise for skiers with over 1,200 km of runs making it the world largest skiing region! The very modern ski lifts make the area a model resort in the alpine arc linked to the Superdolomiti skipass. From Canazei it is possible to ski straight into the heart of the Marmolada, Sella Ronda, Val Gardena and much more...

The site is surrounded by snow capped mountains and forests with breathtaking views. Canazei represents an ideal synergy between nature and sport, shows and culture, relaxation and night life. There are many typical bars, apres ski and piano bars as well as a cinema and even a small opera house. The extensive ski area and the excellent weather record of Canazei offers an excellent vacation for the whole family - skiers, borders and for those who don't ski.
